

Software AG Documentation

You can access documentation from the Software AG Online Documentation Center.

- If you have credentials for the Software AG Empower Product Support Website, go to:
<https://empower.softwareag.com/Products/Documentation/default.asp>
- If you have credentials for the Software AG TECHcommunity, go to:
<http://techcommunity.softwareag.com/welcome-documentation>
- If you do not have credentials for either Empower or the TECHcommunity, you will need to request access at one of the above Internet addresses.
 - Customers and partners can request an account on Empower.
 - All users can register with the Technical Community.
